February 28 - Coaching Day

This is a very important date for all chorus members. We will begin to apply the finishing touches to most of the songs for our "I Have a Song to Sing" 2009 Harmony Jubilee show. The schedule for the day follows:

8:00 am - coffee and rolls

9:00 am – install choreography for show songs

12:00 – Lunch

1:00 – Resume choreography for show songs

3:00 - End of day

Looking way ahead!

We have received an approved contract for an August 12, 2009 performance at the Old School at Mishicot; this will require scheduling our "summer vacation" dates from the last week in June until the last week in July.

Rehearsal for this package show will begin on July 28.

Happy Birthday to All

The accounting for fiscal year 2008 is now complete, and a list of the charitable amounts the Baylanders contributed to our community last year are shown on the next page of this newsletter. Members of this chapter can be proud of their contributions to this effort.

Government's view of the economy could be summed up in a few short phrases: If it moves, tax it. If it keeps moving, regulate it. And if it stops moving, subsidize it.
