February 28 - Coaching Day

This is a very important date for all chorus members. We will begin to apply the choreographing to some of the songs for our "I Have a Song to Sing" 2009 Harmony Jubilee show. The schedule for the day is as follows:

8:00 am - coffee and rolls

9:00 am – install choreography for show songs

12:00 – Lunch

1:00 – Resume choreography for show songs

3:00 - End of day

Looking way ahead!

We have received an approved contract for an August 12, 2009 performance at the Old School at Mishicot; this will require scheduling our "summer vacation" dates from the last week in June until the last week in July. Rehearsal for this package show will begin on July 28.

Thank you!

Jean and I send our heartfelt thanks for your prayers and your concerns during her recent surgery. The outcome of the procedure was successful, and the doctor is confident that she is now cancer-free. Although recovery from this surgery is a long process, Jean is now home and getting stronger every day.

All I ask is a chance to prove that money can't make me happy.

Experience is what is left when everything else is gone.

Show me a man with both feet firmly on the ground, and I'll show you a man who can't get his pants off.
